Dear Harold,

Re: Weekt.

The coverage was vague on Weekt was! I couldn't learn from Balboni it.

The R./A.P. line of "two assassins" obscured the R.F.K./Kennedy attack to the general reader.

The N.Y.T. hit the Kennedy Family and linked Cyril to J.G. by way of N.C.I.A.

The question: What is Cyril's plan for a future release?

I find a medical journal a better outlet at least than a Farewell America line on NBC!

R.F.K., a few days after King's assassination, derided the conspiracy theory. He is not blameless but a minor figure in Cyril.

I assume we'll hear more from Cyril.

Best Wishes,
